Abstracts and panel proposals should be submitted through our on-line submission site, which will open in the course of March at http://www.conftool.com/ozsw_conference_2013. Please make an account at this site, which will then enable you to submit. You will be asked to provide the following information:

- Your name, affiliation and e-mail address
- A title for the paper(s)
- An abstract for the paper(s), of 500 to 1000 words
- An indication of the OZSW section(s) to which the paper belongs (theoretical philosophy, history of philosophy, ethics & practical philosophy, or none of these)
- One or more topics (see list on previous page, plus possibility to add topic not mentioned)
- 3-5 key words
- Optional: up to 5 literature references per paper
- For panel proposals only: a title for / description of the panel theme (max. 250 words)

All submissions will be reviewed by a committee of OZSW philosophers.
