Submission will be possible after creating an account, for which you will be asked to provide your name, affiliation and email address. Those who already registered last year have received an email with a link enabling them to re-use their accounts.

To submit a proposal you will be asked to provide:

- A title for the paper(s)
- An abstract for the paper(s), of 500 to 1000 words
- One or more topics
- 3-5 key words
- Optional: up to 5 literature references per paper
- For panel proposals: a title for and description of the panel theme (max. 250 words) in addition to the paper abstracts

All submissions will be reviewed by a committee of OZSW philosophers.
